Vice presidential candidate of the APC, Kashim Shettima, has said Peter Obi cannot become president of Nigeria, IGBERETV reports.

According to the former Borno state governor, Obi the Labour party candidate can only be president of Igboland and not Nigeria.

Speaking on Channels TV Politics Today programme on Friday, July 15, Shettima said;

“The Presidential Candidate of the Labour Party, Mr. Peter Obi has no political base and structure to win the next coming election in 2023. As far as I am concerned he’s politically structureless with little or no experience to lead this country.”

**Nigeria requires a technocrat and a sound Administrator who will continue from where President Muhammadu Buhari stopped not someone who will come to take us back in the era of PDP. Nigerians don’t want that.**

Our Candidate, Asiwaju Bola Ahmed Tinubu is the right person needed for this position in a time like this. He’s a unifier, an Administrator, a technocrat name it. That is why Nigerians both old and young are rallying round him to ensure that he wins the forth coming election.

**Presidential position is not for the unprepared neither is it an all comers affairs. Peter Obi can only become a President in Igboland but definitely not in Nigeria. Nigeria is too big for him to handle. He has no leadership ideology nor experiences like President Muhammadu and our incoming President in the person of Asiwaju Bola Ahmed Tinubu.**

Exactly.

It's stupidity to expect anything tangible from Peter Obi who did nothing in Anambra.

Ask his supporters to list his achievement, they will keep mute. They can't list his achievement. What significant change has Peter Obi given you while he was Anambra governor? Absolute nothing.

Rather he was investing his state funds into his family business.

Some asked me to list Tinubu's legacy below.

**Desperado14:**

Please tell us what shitimmi and tinubu have done? Genuinely

**Pierohandsome:**

tell us what Tinubu achieved in Lagos as a Governor.

Well, Shettima can also be the VP of North East

These are Tinubu's legacies:

Tinubu legacies:

1. LASTMA.
2. Lekki trade zone.
3. LASU teaching hospital & clinical school.
4. Health care centers.
5. Eko Atlantic city.
6. Econet.
7. Lekki seaport.
8. 4 standard millennium schools.
9. Housing estates.
10. BRT.
11. Several policies which helped in high increase of Lagos revenues.
12. Some roads etc

Now list Peter Obi's legacies.

I want everyone to watch and see if these Ipob urchins would reply. They always keep mute or insult when asked to list Peter Obi's achievement. Peter Obi has got absolute nothing. All noise without substance.

In one hand he says naija needs a unifier in the other he singles out a portion of the country

Everyone keeps talking about Peter Obi yet Obi has never talked about anyone. They say he is irrelevant but they cannot stop talking about him.

This was how wike kept talking about Obi until Atiku and tambuwal carry am handicap. Now this Boko Haram sponsor is here saying rubbish.

Obi is making silent moves,no time for noisemaking.

So, to Shettima the terrorist, the ideal presidents of Nigeria are Buhari and Tinubu.

This immediately says it all. Tinubu is definitely Buhari pro-max

Sounds like something a terrorist would say

2019-07-04 09:22:48

Check well, maybe you misquoted him.

He may mean Peter Obi may only become a governor in Alaigbo, not president of Nigeria, which may be too tasking for him.

I love how the fear of Obi is becoming a reality. Nigerians are a lot wiser now. We the people are the structure. We would vote Obi and he shall be our president.

Human beings are talking, this bokoharam is also talking.

We the people have chosen Peter Babaamhed Obi 🇳🇮 🇳🇮

Obi is inconsequential,Obi canâ€™t even come a distant 4th,Obi donâ€™t have structure,blah blah blah  
Yet they canâ€™t keep his name out of their mouths  
PDP and APC should just merge,Abeg,since obi is the only contender
