

IGP Orders Probe Of Portable Over One Million Boys Rant - Crime - Nigeria posted by SATANICALLY666

The Inspector-General of Police, Usman Baba, **has ordered** the probe of music star, Habeeb Okikiola, better known as Portable, over his alleged ties to One Million Boys, a notorious gang.

In a video, which went viral on Monday, Portable was heard saying he formed the gang and another notorious group known as Ajah Boys.

â€œOpen your ears and hear me, Have you heard about Ajah Boys, One Million Boys, Iâ€™m their founder. Go and ask Sammy larry.â€

The singer spoke Yoruba in the now-deleted video.

In a statement, Muyiwa Adejobi, Force Public Relations Officer, said **the Lagos Commissioner of Police has been asked to investigate Portable.**

â€œSequel to the trending video of one Habeeb Okikiola aka Portable where he claimed to have formed the One-Million Boys cult group terrorising some parts of Lagos State, the IGP has ordered CP Lagos to investigate the indicting statement and take necessary legal action. This directive is premised on the continuous effort of the Nigeria Police Force to fish out pillars and sponsors of cult groups in order to decimate their activities and restore sanity to our society.â€

Ever since he came to the limelight in December 2021 after the release of his song, â€˜Zazu Zehâ€™, in which he featured top artiste and record label boss, Olamide, practically no month has gone by without Portable, being in the news for negative reasons.

He was ridiculed some hours ago for congratulating the Osun State governorship winner, Senator Ademola Adeleke of the Peoples Democratic Party (PDP) after supporting the opposition party.

Yesterday, a wanted notorious bandit in Zamfara was turbaned by the Emir and there was some outrage on social media.

Quickly, Zamfara government came out to deny knowledge of such event and promptly raised a committee to investigate what really happened or led to such.

This morning, a northerner called Zamfara government out on social media to quit the pretence.

The man shared pictures of government officials at the event who were special guests of honor delivering their speeches.

Even the local government chairman was at the event.

The bandit being coronated had a police orderly behind him.

IGP Orders Probe Of Portable Over One Million Boys Rant - Crime - Nigeria posted by SATANICALLY666

The Inspector-General Of Police, Usman Baba, **has ordered** the probe of music star, Habeeb Okikiola, better known as Portable, over his alleged ties to One Million Boys, a notorious gang.

In a video, which went viral on Monday, Portable was heard saying he formed the gang and another notorious group known as Ajah Boys.

âœOpen your ears and hear me, Have you heard about Ajah Boys, One Million Boys, Iâ€™m their founder. Go and ask Sammy larry.âœ

The singer spoke Yoruba in the now-deleted video.

In a statement, Muyiwa Adejobi, Force Public Relations Officer, said **the Lagos Commissioner of Police has been asked to investigate Portable**.

âœSequel to the trending video of one Habeeb Okikiola aka Portable where he claimed to have formed the One-Million Boys cult group terrorising some parts of Lagos State, the IGP has ordered CP Lagos to investigate the indicting statement and take necessary legal action. This directive is premised on the continuous effort of the Nigeria Police Force to fish out pillars and sponsors of cult groups in order to decimate their activities and restore sanity to our society.âœ

Ever since he came to the limelight in December 2021 after the release of his song, â˜Zazu Zehâ™, in which he featured top artiste and record label boss, Olamide, practically no month has gone by without Portable, being in the news for negative reasons.

He was ridiculed some hours ago for congratulating the Osun State governorship winner, Senator Ademola Adeleke of the Peoples Democratic Party (PDP) after supporting the opposition party.

Inasmuch as I don't see the musical value this guy is adding, I can't understand how the IG can order a probe of him and why the IG can't arrest a terrorist who was turbanned an emir in zamfara state. Or is that not part of Nigeria?

Ateke Tom was also made a king in the Niger Delta. There is little the police can do

If they didn't investigate him now you still say it's because he campaigned for Apc

Even though, I don't fancy this idiot but how come the Police IG quickly directed an investigation into this case and not into the case a wanted boko Haram Vagabond - Alero that was just crowned Sarkin Fulani over the weekend without any arrest or investigation whatsoever.

All these Fulani bastards are stepping on our heads in this country. Until this madness is checked, the country is not going anywhere.
