Gospel Singer, Lionel Peterson Dies At 74 - Celebrities - Nigeria posted by Mrkcee

Legendary South African gospel singer and preacher Lionel Peterson, 74, has reportedly passed away. According to reports, the "Peace (Jehovah Knows)†singer died on Thursday 14th July 2022 after struggling with health issues for the past couple of years.

The news of Lionel Peterson's death was known via various social media publications with condolences for the family and tributes to the pastor. Many also shared personal stories of how the singer has impacted their lives.

Reacting to the news, Legendary gospel singer, Ron Kenoly took to his Facebook page to pen a heartfelt message to the Lionel Peterson Family.

 \hat{a} C ω Sadness seems to be an understatement when I think about the loss of my friend and brother in Christ Lionel Peterson. We first toured together in the mid- \hat{a} C m 90s too many cities in South Africa. From the success of his \hat{a} C ω Sequence Africa \hat{a} C album, he traveled to countries in Africa and around the world. \hat{a} C

Among his numerous popular songs include:

- -Jabulani Africa.
- -Jehovah Knows.
- -Lift Up your hands.
- -When the righteous prosper, etc.

He will be missed.

RIP Legend!

In those 90s, I remember going to the market and looking for that type of floral shirt he mostly wore.
Well, he looked so chubby then and that's associated with health issues in time.
condralbedez
Rest in peace sire

	Rip Jabulani crooner.
	Indomie generation will not know him
	Ricodine
	Just recently downloaded his throwback song "Peace". That song evokes childhood nostalgia. RIP!
